

# How Thailand (ATCI) is collaborating with other regional economies to strengthen its ICT industry

- 1) ATCI (Association of Thai ICT industry) is a member of ASOCIO since 1989.
- 2) We use ASOCIO as a platform to participate and networking with other ICT industry in the region thru various programs and activities such as
  - ASOCIO MTV** (Multilateral Visit) member countries that used to host MTV are Bangladesh, Pakistan, India, Sri Lanka, Bhutan, Myanmar, Mongolia, South Korea, Taiwan, Hong Kong, Vietnam, Thailand, Laos, Malaysia, Singapore, Indonesia, Australia, New Zealand, etc.
  - ASOCIO Digital Summit** - annual ICT business regional conference
  - ASOCIO Smart City Summit** – to promote the use of ICT to cities & towns.
  - ASOCIO Awards** - to recognize outstanding ICT Companies, Users, Government, Education institute in the region

# **How Thailand (IT Companies) is collaborating with other regional economies to strengthen its ICT industry**

## **3) Bilateral Trade Visit.**

Every Year ATCI receives trade visits from many regional economies such as

Japan (JISA & JIET), South Korea (FKII & KOTRA)

Taiwan (CISA & TCA), Hong Kong (ISIA & HKTDC)

Malaysia (PIKOM & MATRADE), Singapore

etc.

## **4) Outsourcing services (PS) from India, Bhutan, Myanmar, etc**

## **5) Partnering w/ IT companies in the region (Japan, South Korea, Taiwan, Bangladesh, India, Singapore, etc)**
